Dynalites

RAC008

At 60 amps, the RAC008 has more than three times the power of the original dynamo together with increased reliability and full power available at engine tick-over speed. Note - if fitted to an Alvis TD21, we recommend using our fan and pulley VAL6017FAN

Lucas C45 type Dynalite with a Lifetime Warranty! The original alternator that looks like a dynamo. Designed, tested and built by us, this unit delivers the performance of a modern alternator whilst retaining the period look of a dynamo. Built with OE rated components at our facility, every Dynalite comes with a Lifetime Warranty. Fitted widely to many Classic British applications such as Jaguar, Austin Healey and Alvis.
