Performance Alternators

RAC068R

Lucas type "Multi-Mount" Alternator with 100mm Pulley. See RAC068 for standard pulley version. Also available in our Alternator Fitting Kits

Fitted with 100mm race spec pulley to aid high revs! Suitable for Ford BDA, Pinto, X - Flow including A series engines such as A + B series BMC and BL types and Rover V8. Compact, lightweight, high output alternator, suitable for race engines where space is a premium. Built to withstand vibration and engine harmonics, this unit will deliver maximum performance with minimum efficiency. See RAC068 for standard pulley version
