

Made in the UK 

High Torque Starter Motors

RAC103

Direct replacement for BOMB type starter. Pre bolt on ring gear. Fitted with captive stud to aid fitting.

Replacement for 'bomb type' original Triumph TR2, TR3, Early TR3A with Pre bolt-on r/gear Strong, powerful, offset gear-reduced starter motor, delivering huge cranking torque through a set of steel internal gears. Lightweight, compact and durable this unit starts the engine faster with immense power, whilst drawing less current from the battery.

RAC103
