High Torque Starter Motors

RAC113

Pinto, X Flow and Zetec with Hewland Mark 4, 8, & 9 Gearbox and Pinto Fly Wheel. CHECK THE NUMBER OF TEETH BEFORE FITTING. WARNING FORD: Check you have the correct starter for your combination. Please contact if in doubt.

Ford Pinto, X Flow and Zetec with Hewland Mark 4, 8, & 9 Gearbox and Pinto Fly Wheel. Incredibly powerful, offset gear-reduced starter motor. Based on a "Denso" style unit, this starter delivers huge cranking torque through a set of steel internal gears, drawing less current from the battery versus an original unit. Lightweight, compact and durable this unit uses minimum efficiency whilst delivering maximum power and has dual polarity.
