High Torque Starter Motors

RAC421

Direct Replacement for original unit. Fits V8 engine with 3 speed gearbox. Replaces starter with plain mounting holes. Bentley Mulsanne, T1, Turbo, Turbo R, Rolls Royce Carmargue, Corniche, Silver Shadow I & II Strong, powerful, offset gear-reduced starter motor, delivering huge cranking torque through a set of steel internal gears. Lightweight, compact and durable this unit starts the engine faster with immense power, whilst drawing less current from the battery.

RAC421
