High Torque Starter Motors

RAC448

Direct replacement for the original Lucas starter.

Lagonda Rapier 1100 starter motor. Incredibly powerful, offset gear-reduced starter motor. Based on a "Denso" style unit, this starter delivers huge cranking torque through a set of steel internal gears, drawing less current from the battery versus an original unit. Lightweight, compact and durable this unit uses minimum efficiency whilst delivering maximum power and has dual polarity.

RAC448			
Make	Model	Engine Size	Year
Lagonda	Rapier pre war	1100	1934 - 1935

RAC448	
Item	Value
Kilowatts	1.00 kW
