High Torque Starter Motors

RAC483

To fit Westfield with Ford Zetec engine. With Raceline sump, Ford Zetec flywheel and type 9 gearbox.

Westfield with Ford Zetec engine, Raceline sump, Zetec flywheel and Type 9 gearbox. Strong, powerful, offset gear-reduced starter motor, delivering huge cranking torque through a set of steel internal gears. Lightweight, compact and durable this unit starts the engine faster with immense power, whilst drawing less current from the battery.

RAC483
