High Torque Starter Motors

RAC486

Direct replacement for original unit where the starter did NOT have threaded mounting holes

Ford 4 x 4 Cosworth, Cosworth YB, Escort V, Sierra II, RS Cosworth 2.0 Strong, powerful, offset gear-reduced starter motor, delivering huge cranking torque through a set of steel internal gears. Lightweight, compact and durable this unit starts the engine faster with immense power, whilst drawing less current from the battery.
