High Torque Starter Motors

RAC490

Direct replacement for original unit.

Incredibly powerful, offset gear-reduced starter motor. Based on a "Bosch" style unit, this starter delivers huge cranking torque through a set of steel internal gears, drawing less current from the battery versus an original unit. Lightweight, compact and durable this unit uses minimum efficiency whilst delivering maximum power.

RAC490			
Make	Model	Engine Size	Year
Audi	100	1.9	1982 - 1984
