

Made in the UK 

High Torque Starter Motors

RAC528

We have created the world's smallest starter motor for the ever-popular A Series engine – the MicroStart!

Classic Mini with the “verto” flywheel, replaces the original pre-engaged Lucas starter motor.

RAC528			
Make	Model	Engine Size	Year
Austin	Mini (Pre Engaged Ring Gear)	1000 - 1275	up to 1982
Mini	Mini (Pre Engaged Ring Gear)	1000 - 1275	up to 1982

RAC528	
Item	Value
Kilowatts	1.30 kW
Teeth	11
Voltage	12 V
Weight	2.40 kg
