

Made in the UK 

High Torque Starter Motors

RAC551

Triumph TR5, TR6 & TR250 MicroStart to suit the standard ring gear.

Triumph TR5, TR6 & TR250 MicroStart to suit the standard ring gear. Weighing just 2.3 kg but kicking out a huge 1.3 kW of gear reduced power, our new MicroStart is built in the UK by Powerlites' skilled team of auto electricians.
