Before fitting this replacement alternator, please:

- ♦ **Check all connections and cables.**
- ♦ **Ensure the pulley is correctly aligned and can run freely—DO NOT CHECK THIS WHILE THE ENGINE IS RUNNING!**
- ♦ **Ensure the fan belt is tensioned and aligned correctly.**
- ♦ **Ensure that the battery is fully charged before reconnecting.**

If you have any queries, please contact us or consult a qualified auto electrician!

Your Guarantee:

In the unlikely event that this unit should fail, please return it to us for inspection within the warranty period.

Each unit comes with a 3 YEAR MANUFACTURERS GUARANTEE.

Unit repair or replacement only subject to inspection. Warranty does not include labour or associated costs.
